3. The League will determine the player's eligibility for a secondary pass and, if approved, will provide an electronic copy of the approved form to the primary club's representative.
4. Be advised that a secondary pass permission is valid only for MCYSA competitions and any discipline imposed on the player may effect both the primary and secondary teams.

6. For each game, the player should present to the referee a copy of this approved form along with the player's primary card.
