The Entry Level Referee course is a 20-hour course, which will take place over two (2) weekend days (8 hours each day) followed by a test night (4 hours). Students (minimum is age 14) are required to attend all sessions in order to be eligible to take the written examination. The cost per participant is \$35.00 which covers the cost of the instructors, booklets, and logistics for the school payable to NJREFS.

At the conclusion of the instructional classes a written examination will be given to all who have completed the course. The examination is 100 questions and students must get 75% correct in order to pass the test. Students who fail the exam may retake it at any other New Jersey Entry Level Referee School at no additional cost.

Students that pass the exam will be given a USSF registration form to register as a USSF Referee. An additional registration fee to register as a USSF Referee must be paid at the conclusion of the class. This fee is yearly and is part of the USSF Referee recertification process to maintain your registration status. The current fee for entry-level referees is \$25.00, but is subject to change at the discretion of the United States Soccer Federation.
